Employment Workshop Descriptions

Using social media for Job Search – Learn the importance of using social media to build your profile, network, and follow companies using LinkedIn, Facebook, and Twitter.

Marketing Your Resume – These days, a top-notch resume will assist you in getting an interview. Learn how to market and target your skills, accomplishments, experience, and keywords with an impressive resume. Bring a paper copy of your current resume to critique**.**

Job Search Strategies – Learn more about the crucial steps in the job search process. This workshop addresses untapped resources and services available to job seekers, job-hunting on the Internet, and using your own network to your advantage.

Interview Techniques - Want to feel confident at your next job interview? This workshop teaches you how! Topics include positive answers to difficult questions, dressing for success, and the importance of body language, good attitude and making the "best" first impression. Interview follow-up and salary negotiation are also discussed.

Making Your Money Work: Budgeting, Benefits & Community Resources – Help develop a realistic household budget while demonstrating how community resources can reduce expenses and free up money necessities, savings, debt reduction, transportation, or employment related expenses.

Credit & Career: Building Credit that Works for You – Help understand, monitor, and improve your credit while explaining circumstances in which credit history may affect employment, housing, insurance, borrowing, and other financial opportunities.
