

# CERTIFIED PHARMACY TECHNICIAN PROGRAM

**Interested in becoming a Certified Pharmacy Technician?**

**Portsmouth Public Schools Adult & Continuing Education**

is offering a **FREE** Pharmacy Tech program. If you are no more than two tests away from having a GED, have a high school credential or diploma and/or some college education, come and check us out!

**Interested students must participate in a screening and orientation process before final selections are made for participation in this program!**

**This is an evening program that will be conducted as needed at S.H. Clarke Academy in Portsmouth and virtually.**

**Please call (757) 393-8822 for more information.**
