MEETING ID: 894 6208 5789 PASSCODE: 196685

### Budget & Credit Session 208:

Find out how to make the money you have by saving more, creating a spending plan, and being a smart shopper. The sooner we start saving, and the more we save; the more benefits we can enjoy today and tomorrow. Learn how you can achieve the confidence that comes with being a good saver and having financial peace of mind. Teaches student how to navigate in the current economy, the basics of money management and why it is so important to have a spending plan. In addition, individuals can learn about debit cards, credit, student loans and how to protect themselves from identity theft.

### Job Corps:

Job Corps is the nation's largest career technical training and education program for young people ages 16 through 24. Students can earn a high school diploma, a high school equivalency credential, or college credits through Job Corps. They offer career technical training in more than 100 career areas. Students receive housing, meals, basic health care, a living allowance, training, and preparation for a career, all at no cost. For up to 21 months after graduation, a career transition counselor will help your student make the transition from Job Corps to the real world.
